Columbus Learning Center Policies and Procedures

These policies and procedures are guidelines to maintain uniform standards, applying to all who occupy and use the Columbus Learning Center. They provide information and building regulations for all occupants and tenants and identify those responsible for overseeing building operations and maintenance. Cooperation in adhering to these policies will help ensure a clean and healthful working and learning environment and reduce maintenance costs and building repairs.

Emergency Guidebooks are located in each room. Please familiarize yourself with emergency procedures so that you will know how to proceed, if necessary.

First Aid Kits

Kits are located in the Administration Area and the Information Desk in the University Library. Defibrillators are located near the Summerville Room (1400) and the entrance to the Lecture Hall.

Help Desk (Tech & Other)

For the IT help desk dial 812 375-7555 or push the yellow button on the phone in your room.
